

# Five Great Reasons Why You Should Try First Presbyterian Church

## 1. A Place to Grow Spiritually

First Presbyterian Church is a place for people who are searching for a new start on their spiritual journey. It's a place where you can grow individually, and where you can build community with others regardless of your religious background.

## 2. Life Values Affirmed Here

The true center of human life is found in our relationship with God, so we encourage you to explore your spirituality with others on the journey of faith through classes, small groups, Bible study, children's programs, and social activities.

## 3. Great Messages – Great People – Great Food

Our worship services provide ways to lift your spirit and your mind. At 10:30 a.m. Sunday mornings we celebrate in the Sanctuary for traditional worship. Our pastor's messages are life-changing, God-centered, and relevant to today's living. You are invited to stay for coffee and cookies after our morning service where you'll meet interesting people and enjoy our hospitality!

## 4. Quality Young People's Programs

On Sunday mornings we have Adventure Time for children K-3<sup>rd</sup> during worship. The Breakfast Club provides free breakfast during the school year for middle school kids, as part of our community outreach for others. We also provide scholarships every summer to send kids to Westminster Woods, our Presbyterian summer camp..

## 5. No Dress Code

Some folks like to dress up for Sunday worship, while others prefer a more casual form of attire. How you dress is up to you. Either way, a warm welcome awaits you at First Church.
